

50TH ANNIVERSARY OF THE BEATLES WHITE ALBUM

Monday, November 19 at 7:00 PM

November 2018 marks the 50th Anniversary of this landmark White Album. As the Beatles only double album it contains a wealth of riches for listeners. However, it also marked the beginning of the end of the world's greatest band as tensions and musical differences arose during recording. The program will include a discussion of the Beatles "back to basics" recording approach and an analysis of key tracks.

Registration is Required
