

American Doughboys

American Doughboys in the First World War reviews America's participation in "the war to end all wars" as we take listeners on a trip across the battlefields of Northern France to describe the events, people, and places of America's contribution to the defeat of the German Kaiser. Famous engagements such as Belleau Wood, Cantigny, St-Mihiel, and Meuse-Argonne are reviewed with images of what the battlefields look like today. We also discuss by the enormous changes that the conflict brought to warfare, society, and populations around the world.
