

# ACORN Public LIBRARY Summer Reading Program ART Contest!

May 1 - May 27

Register to decorate a poster for our annual Summer Reading Program! Each participant will receive a blank poster board. Use your imagination to decorate for the theme: *Reading Colors Your World*. When you are finished, bring it back to the library. The posters will then be laminated and posted outside the library, so please do not glue anything onto them. Prizes will be given in 5 age categories! Registration begins May 1, 2021. Good luck!
