Step 3: Search for and borrow books

1. Click on the magnifying glass to open the search bar. You may search by title, author, subject, etc. Click on **Search** to search.
2. In the filters menu on the left, filter the search results for ebooks available in kindle-compatible format.
3. Click **Borrow** on the book you would like to borrow. This will add the book to your Media on Demand Account.

Step 4: Download Books to your Kindle device

1. When your selections are made, access your account by clicking on **My Account** then **Loans**. This will show you a list of the books that you have borrowed through Media On Demand.
2. Next to the book you would like to download, Click **Choose a Format**. Select **Kindle Book** from the dropdown menu. This will bring you to Amazon.com to complete the process.

- Click on the button labeled **Get Library Book**. If you are not already logged in to Amazon, this will prompt you to log on to your account. Logging on will add the book to your Amazon account.

- Navigate to your Amazon.com **Manage Your Content and Devices** tab.
- Select the library book(s) and tell Amazon to deliver the book(s) to your kindle.

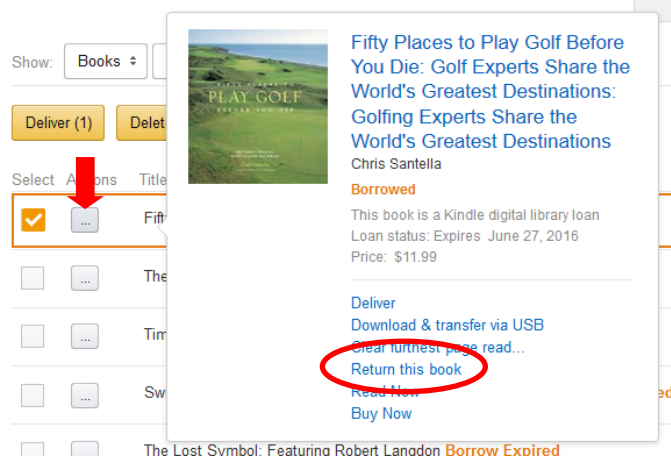

Step 5: Returning a book early

If you have not downloaded the book yet:

you may return the book by navigating to your Media On Demand loans page (see step 4) and selecting the **Return Title** option below the book you would like to return.

If the book has already been downloaded:

log on to your Amazon account, navigate to the **Manage Your Content and Devices** tab, and select the **Return this Book** action on the book you would like to return.

If you do not return early, don't worry. The book will automatically return when it is due.
